ON SUN 9-16-07 - O.J. SIMPSON got arrested for armed robbery. This was a secret plan all along I learned through a wire tap of Fred Goldmans telephone. I can wiretap phones from prison with parts of my body. Everyone is going to get a piece of the pie from this arrest, the mayor of Las vegas gets more visitors to witness the "new trial of the decade". The mayor has plans right now to raise parking and food prices. Southwest airlines is in this conspiracy, check and see for yourself the price difference in flights to vegas. See what it would of cost you to fly to vegas on 9-15-07, and see what it cost now. I bet you 10,000 push ups it's more. O.J. Simpson is going to create revenue for the city of las vegas. Everyone is in on this.

O.J. Simpson has been my enemy for 10 years. I hacked into the life of O.J. Simpson ever since he refused to sign a football card of mine when I had Cancer. On May 6, 2007 I Kindly asked O.J. Simpson at a BoJangles if he would sign my football card of his. O.J. told me "Beat it, punk" "I hope cancer eats you". I was sad that O.J. ruined my hopes and dreams. Ever since then I been secretly spying on O.J. Simpsons life

From May 10 2001 until June 16, 2002 - I followed O.J. Simpson along Route 66 and watched him Rob banks with water guns and take elderly ladies social security checks. O.J. Simpson Jumped on trains, planes, and Automobiles.
Jan 10, 2007 - O.J. Simpson has secret plans with George Clooney to be in Oceans 14th.

Aug 20, 2007 - I heard O.J. confess to a pastor who is on my prison payroll that O.J. has the $33.5 million dollars that he owes the Goldman family buried in the crandall mine in utah collecting 7% interest. O.J. Simpson also confessed to Billy Graham that he payed off Ceo BoB murray to stop the search and rescue on the miners because he didn't want the loot found.

4

O.J. Simpson on June 17, 2007 has been involved with the Barry Bonds, Bud Selig, hank aaron's bat scandal in Northern Indiana. O.J. studied their plan to create T.V. ratings. Mark deli clerk at Piggly Wiggly Knows. We found Bonds steroids needles washed up on the Jersey Shore in the 1980's.

5

In 1993 - O.J. learned police tactics from the set of the Naked Gun Movies. O.J. can Alter fingerprints. O.J. told me Laci Peterson's mother Sharon paid him to help set up Scott Peterson. The world Knows O.J. can unlook the Zodiac mystery in his head.

6

In 1947 - House Bill Public Law 80-772 was passed in the House. It went to the senate. The senate then changed the bill. It should of went back to the house for a vote. Instead, the senate voted, approved it, then it became law which is today 18 USC 3231

Under the Constitution of the United States - Law can't come into effect without approval of the House and senate vote.

Since 1948 title 18 USC 3231 relating to district courts having Jurisdiction under the laws of the land cannot be inforced. The courts do not have the Power to impose any acts against the U.S.

O.J. Simpson is involved with this illegal Bill because if you look closely 18 USC 3231 "USC" was O.J. Simpsons College this is a Huge 6th amendment violation on my illegal incarceration under Booker and FanFan that O.J. Simpson is involved with.

7

July 9, 1947 is not O.J. Simpsons birthdate. O.J. Simpson forced me to make him a fake birth certificate on Aug 10, 2002, because O.J. wanted to Attend a Miss teen U.S.A. pagant and wanted everyone to think he was under 18, so he could pick up on Young girls.

O.J. Also forced me at Gun point to make a fake Birth certificate for his friend Little league world series Pitcher Danny Amante.

8

O.J. Rushed for 11,236 Yards. I stole 11,237 I.D's on June 10, 2002 O.J. Stuffed 11,238 footballs in my mouth to prevent me from whisleblowing, he doesn't Know I Know sign Language.

9

in Aug 31, 2007 - O.J. Simpson has told me that thousands of people write web pages and blogs about me, and I've seen many of them. What a Major Hypocrisy When people say it's a waste of tax payers money when Inmates file Frivolous Lawsuits. What about a waste of Tax payers money when NON violent offenders are spending Years in prison? what about all the inmates 60 years and older? what about no parole in the Federal system? Whats going to happen when a 1000 Jonathan Lee Riches© files 1000 Lawsuits? O.J. Simpson is turning a blind eye on My 8th amendment rights being violated. Celebrities like Jolie and Madonna flying around the World on O.J's orders saving kids in other Countries, but they don't help people at home. O.J Simpson's tax money has been contributing to my illegal incarceration. O.J. Simpson took away 5 years of my life. He calls me "white Ronnie."

10

On Feb 25th, 2003 O.J. Simpson Influenced federal district Judge Melinda Harmon in Houston to indict me by giving her signed O.J. Simpson footballs and helmits. O.J. Simpson had Affairs with Jessica Simpson while She was with Nick. They both wanted to Keep the Simpson family name

11

"What happens to Jonathan Lee Riches dosen't Stay with Jonathan Lee Riches"

TRO Temporary Restraining order

Plaintiff moves to stop the criminal proceedings of O.J.'s State case until my team of forensic experts, in prison and DNA crime Labs from Illinois investigate the true conspiracy. This is a Sham on the peoples mind. O.J. Simpson's Book never went out, Now this Arrest creates more revenue for him and Las Vegas. Plaintiff moves this Honorable Court to take O.J. Simpsons Phone # off my Prison List. I Compel this Court to stop O.J. from being sold in grocery Stores cause its poisoning People.
